- links to Operational Programme, local ESIF strategy and programme guidance
 - call closes
 - outline applications assessed
 - presented to the next ESI Funds sub-committee
 - successful applicant(s) invited to complete a full application

Core Selection Criteria

- Project proposer must be eligible to apply for funding in accordance with the Common Provisions Regulations and the **National Eligibility Rules** for each Fund.
- The proposed activity and associated expenditure must be eligible for support under Regulation (European Union) No 1303/2013 of the European Parliament and of the Council of 17 December 2013 and Regulation (European Union) No. 1301/2013 for European Regional Development Fund, and Regulation (European Union) No. 1304/2013 for European Social Fund and **National European Regional Development Fund** or European Social Fund Eligibility Rules.
- The project must present **clear evidence that it contributes** to the needs/opportunities identified in the Call for Proposals to which it is responding **and the achievement of the specific objectives, outputs and results of the relevant priority axes set out in the Operational Programme**

Detailed assessment

Potential projects must demonstrate fit with the ERDF Operational Programme for England and align with the local ESI Funds Strategy

- Strategic fit
- Value for money
- Management and control
- Deliverability
- Compliance – procurement, State Aid, publicity requirements, eligibility rules
- Cross cutting themes
- Gender Equality and non-discrimination
- Sustainable Development
- **It is highly important that applicants in the Heart of the South West area are explicitly clear which Category of Region they intend to deliver in, particularly in describing their project activity**

Please be fully conversant with all the guidance particularly these areas which are the most common cause of problems and irregularities:

- Procurement
- State aid
- Publicity
